

# Corporate Secretarial Services

Law Debenture (LawDeb) is an investment trust like no other. In addition to being a FTSE250 investment trust committed to achieving long term capital growth for investors, we are also an independent professional services (IPS) business. We support 44 of the FTSE 100 across our Independent Professional Services businesses.

The LawDeb Corporate Secretarial Services team provide the full suite of services you would expect from an in-house corporate secretarial function and more.

---

## Public Company Governance for listed plc's and investment trusts

We provide governance support for listed plc's, investment trusts and companies preparing for a public listing (IPO's).

## Global Entity Management across 120 jurisdictions

We cover over 120 jurisdictions and can take care of both high-volume entity management and tailored board governance services.

We work with the smartest technology to provide real time analytics on global entity compliance, workflow status for event-driven changes and secure access to board documents.

## Financial Services Governance for leading regulated international companies

Partnering with well known financial institutions from, investment banks to more recent challenger prestigious banks. Providing board governance and support at the highest level.
