

LawDeb's Corporate Secretarial Services.

We deliver peace of mind for in-house legal and compliance teams

We work with our clients to find a delivery model that meets their governance model and budget.

We offer everything from our economical 'off the shelf' entity annual compliance through interim resourcing, to high value bespoke advisory and training.

We support clients from a multitude of sectors with:

Entity Management

- UK and Global Entity Management
- Incorporations, share issuance and restructures
- Companies House health checks, compliance and filings
- Subsidiary governance
- Registered office
- Statutory registers

Governance & Advisory

- Board meeting management
- Governance structure and terms of reference
- Listed company annual reports and filings
- AGM management
- Board effectiveness reviews & Development Plans
- IPO readiness

We support clients from all sectors but have extensive, specialist experience supporting those from:

- Investment Trusts
- Public Services
- Regulated Financial Services
- Special Purpose Vehicles
- UK Listed Companies

We are the UK's only full-service Company Secretarial and Board Governance provider.

We offer clients flexible service delivery to meet their needs.

Do you know about all of LawDeb's governance and transaction services?

In addition to Corporate Secretarial Services our in-house legal and compliance clients benefit from:

Safe call – our whistleblowing hotline, training and investigations business. For details visit SafeCall.co.uk

Process Agency – our dedicated teams in London, Ireland, Hong Kong and New York provide an address and transaction support if the parties do not have a local address.

Corporate Trust and Escrow – we support our clients with raising finance by ensuring that investors have a sophisticated, experienced and engaged party throughout the life of a transaction.

Our other services include:

- Independent Pension Trustees
- Outsourced Pensions Executives
- Structured Finance Support
